Have something simmering away in your imagination that you haven't managed to get out? Want to live your life more creatively? This group is for you. The Artist's Way is a course in exploring and cultivating your creativity. Using Julia Cameron's book 'The Artists Way' as a guide this creative cluster will meet weekly exploring themes from 'The Artist's Way' and look at how they impact our own creative work– or lack of it! It will also provide support, encouragement and accountability for participants as they embark on their own creative projects.

'No matter what your age or your life path, whether making art is your career or your hobby or your dream, it is not too late or too egotistical or too selfish or too silly to work on your creativity.'

Julia Cameron

Whether your aim is to develop work you want to sell or perform, or just to be more creative with your home cooking, there is something in this group for you. For more details contact Hayley:
